MEMORANDUM FOR THE RECORD

SUBJECT: H.R. 10076, the Omnibus Right to Privacy Act

25X1

1.  On 6 February 1978 [REDACTED] OGC, and I discussed section 303(b) and (c) of the subject bill. We agreed that subsection (b) would cause no problems because the Agency currently conducts authorized checks of those types of records, especially credit records.

25X1

25X1

2.  Subsection (c) would require that the third party record keeper maintain an "accurate accounting" of the person to whom the disclosure of information is made. [REDACTED]

25X1

25X1

We agreed, however, that this would not cause the Agency problems because: it is a requirement imposed by law on the record keeper and his records would be accurate as they pertain to him, i.e., reflect his knowledge; [REDACTED]

25X1

25X1

[REDACTED] and the subject of the records would have authorized the request.
